ON YOUR FEET FOUNDATION MISSION STATEMENT

On Your Feet Foundation strives to:

- Honor with respect and compassion, the loving choice of birthparents to place a child for adoption.
- Offer services to assist birthparents expand skills so they can succeed in life.
- Link grants to case management that will guide birthparents in identifying needs and goals so they can make a clear plan in moving forward.
- Connect birthparents with a support system of other birthparents to end emotional isolation.
- Seek outside partnership with community resources, schools, and job training agencies to help birthparents become self-sufficient.

OYFF relies on individual and corporate donations for 100% of its funding. Here is how your donation will help a birthmother in need:

- \$100 will buy a 5 week bus pass for a birth mother who has no means of transportation to her job or school.
- \$500 will enable a woman to obtain child care for 4 weeks, or purchase books for her education.
- \$1000 will provide a scholarship to become a certified nursing assistant or paramedic.
- \$5000 will cover living expenses for 5 months while a birthmother completes her education.

Your tax-deductible contribution could also be used to defray the cost of a birthmothers college tuition, thereby reducing the burden of her student loans.
